

## **BIOGRAPHY**

I am Dr. D P Gaikwad working as an Associate Professor and acting as a Head of Computer Department at AISSSM College of Engineering, Pune. I have completed my B.E in 1996, M.E in 2006 and pursued Ph.D. in 2017 in the area of soft computing. My total teaching experience is 22 years and 6 months in the field of Computer Science and Engineering. Presently, I have been guiding ME students under SPPU, Pune University, I have also guided many students' projects of both UG and PG programme. I have visited Stafford University, London for pedagogy learning of London University. I have organized 100 events like seminar, workshop, conference and FDP. I have received the best research award from Vishakhapatnam and one from GOAL, India. I have published two chapters in International book publisher, London. I have attended 124 events like seminar, workshop, conference, FDP and webinar.

I am reviewer of many journals such as Springer, IEEE access and many international conferences. I have published 36 papers in International Journals and presented 16 papers in International Conferences. I have given expert lectures in many Engineering Colleges in Pune. I have worked as subject's chairman in Pune University. I also have worked as resource person in Faculty Development Programs. In the teaching learning process, I have used Bloom taxonomy and Moodle software. I also worked as NBA coordinator for four years. My interested subjects are Microprocessor, Machine Learning, Network Security and Programming Languages.
