

BIOGRAPHY

I, Dr. Deepak G working as an Associate Professor in the Department of Computer Science and Engineering at Dayananda Sagar College of Engineering, Bengaluru. I have completed my Bachelor of Engineering (B. E, ISE) in 2007, Master of Technology (M. Tech, CSE) in 2010 and Doctor of Philosophy (Ph. D) in 2017 in the area of Cloud Computing and its Security aspects.

To brief about my experience, I have around 11 years of Teaching experience in the field of Computer Science and Engineering. In this academic experience, I have been a SPOC member for the Software Industries, through which students have been benefitted with the courses offered by them. Presently, I have been guiding 2 - research scholars leading to their Doctoral Degree under Visveswara Technological University (VTU), Belagavi. To brief about their progress, out of the 2 research scholars, one has completed his Comprehensive Viva Voce and is about to submit his final thesis, in the area of IOT Security. I have also mentored many projects of UG and PG students, out of which one of the projects has been awarded as the best student project in the Department.

I have been actively involved in organizing events like seminar and workshop from Industry/Academia. I have been active in attending events like seminars, workshops, conferences, FDPs and so on. I have been a reviewer for many conferences and also had been a Session Chair for National Conference held in GMIT, Mandya. I have been an active member in IAENG, SDIWC, UACEE Associations.

To brief about my publications, I have published around 40+ papers in various International Journals and Conferences. And also 2 patents have been filed in IPR. My core expertise and area of interest lies in Cloud Computing, Networking, Web Technologies, Android Applications and Information and Network Security.
